INFORMATION DISCLOSURE STATEMENT

Pursuant to the guidelines for Information Disclosure Statements set forth in 37 C.F.R. §§ 1.97-1.98 and MPEP § 609, Applicant submits herewith patents, publications, or other information of which he is aware, which he believes may be material to the examination of this application and in respect of which there may be a duty of disclosure in accordance with 37 C.F.R. 1.56.

A list of patent(s) and/or publications(s) is set forth on the attached Form PTO-1449. A copy of each item listed is supplied herewith.

It is submitted that these references do not disclose, teach, or suggest the present invention and thus the claims herein are patently distinct therefrom.

While this Information Disclosure Statement may be "material" pursuant to 37 C.F.R. 1.56, it is not intended to constitute an admission that any patent, publication, or other information referred to therein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 C.F.R. 1.97(b) the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. 1.56(a) exists.

The information disclosure statement submitted herewith is being filed within three months of the filing date of the application or date of entry into the national stage of an
